C. Measures

Performance Measures

- 1. Performance-based funding is determined by a service area's annualized Self-Support Index value. Review the information and report links in this section to see the effect of performance on funding and reporting, based on Statute 256J.626, subdivision 7.

Each year a bonus to a service area's Consolidated Fund allocation will be based on its performance on the Self-Support Index in the previous April to March year.

The **three-year Self-Support Index (S-SI)**: This measure starts with all adults receiving MFIP or DWP cash assistance in a quarter and tracks what percentage of them, three years later, are no longer receiving family cash assistance or are working an average of 30 hours a week if still receiving cash assistance. Those who left MFIP after reaching 60 counted months and those who left due to 100 percent sanction are only counted as a success if they worked an average of 30 hours per week in their last month of eligibility or if they began receiving Supplemental Security Income (SSI) after family cash assistance ended. To provide fair comparisons across service areas, DHS calculates a "Range of Expected Performance" for the S-SI that is based on local caseload characteristics and economic conditions. The service area's Self-Support Index value is whether the service area was above, within, or below its expected Range.

The S-SI and Range are annualized for the four quarters in the April through March year ending in the reporting year before the funding year. See the annualized report on the MFIP Reports page on the DHS website for 2021 <https://edocs.dhs.state.mn.us/lfserver/Public/DHS-4651H-ENG>. A service area with an annualized S-SI "above" its customized Range of Expected Performance for 2021 will receive a 2.5 percent bonus added to its Consolidated Fund allocation for calendar year 2022.

[Minnesota Family Investment Program 2021 Annualized Self-Support Index \(PDF\)](#)

If your service area is receiving a bonus, congratulations! Please share a success strategy here:

N/A

9996 characters remaining

If your service area performed "above" or "within," you can go to item 2.

If your service area performed "below" for two consecutive years, you will have to **negotiate a multi-year improvement plan** with the commissioner. If no improvement is shown by the end of the multiyear plan, the next year's allocation must be decreased by 2.5 percent, to remain in effect until the service area performs within or above its Range of Expected Performance.

C. Measures (continued)

Racial/Ethnic Disparities

- 2. A **racial/ethnic disparity** is defined as a one-year Self Support Index that is five or more percentage points lower for a non-white racial/ethnic group than for the white group of MFIP/DWP-eligible adults in the county or consortium. The report "The Annual Summaries for counties of the Self Support and Work Participation performance measures" <https://edocs.dhs.state.mn.us/lfs/Server/Public/DHS-4214AG-ENG> on the MFIP Reports page includes a list of service areas that have a racial/ethnic disparity requiring action. (If your county has a disparity but data are missing for quarters with cell size too small to report, contact benjamin.jaques-leslie@state.mn.us to get the unpublished counts and percentage gaps.)

 3 persons \$1068 8 persons \$2025
 4 persons \$1278 9 persons \$2210
 5 persons \$1470 10 persons \$2390
 Each add'l person Add \$179

6. The unit must be unable to resolve its emergency by combining:

- Liquid assets
- Assets that can be liquidated in time to help, including equity loans or refinancing on homes, vehicles, and recreational items (boats, campers, etc.).
- Income they will receive in time to help.
- Other funds for which they are eligible.

7. In the past twelve months, no member of the assistance unit has received any emergency assistance for utility or housing-related emergencies.

8. Households may apply for employment-related emergencies for transportation in addition to utility and housing emergencies. All other rules apply including using once in a 12 month period (with the exception of housing and utility), the 200% income limit, and maximum payment amounts.

9. EA will remain open for 30 days from date of approval.

10. Household income must be sufficient to continue to meet the need after EA has been issued. It should not simply postpone the problem, thus creating another emergency. We may issue up to a max of 3 months' rent or house payment with a supervisor's approval.

11. Within the last 60 days from date of application, the household must not currently or have been in a disqualification or sanction status that created the emergency.

DEPARTMENTAL PROCEDURES

Income Maintenance Department:

I. PROCEDURE

1. Assess the income, assets, and current living expenses of each member of the household unit.
2. Assess all emergencies jeopardizing a child's health or safety.

II. VERIFICATION

The following must be verified:

1. The applicant's identity.
2. The emergency and the cost of alleviating the emergency. Examples of verification include utility shut-off notices, rental statements, and foreclosure notices.
3. In addition, all eligibility factors should be verified. Eligibility factors include assets, income, work expenses, children's age, immigration status, and relationship. However, do not delay assistance pending verification of eligibility factors if the delay jeopardizes the unit's health or safety.
4. The bill to be paid must be in the household's name.

III. EMERGENCY SHELTER PROCEDURES

1. To provide emergency aid for shelter, the following must occur:
 - a. The landlord or mortgagor must have served an eviction notice.
 - b. Landlord must agree to accept the EA issuance.
 - c. Payment will prevent the eviction.

2. For units with no existing shelter, payments will be provided for first month's rent and/or deposit only. Deposit cannot exceed one month's rent for the rental deposit.

3. For units facing loss of shelter, a determination must be made if a unit's income is enough for the rent and utility costs of their present residence. If there is not enough income, EA funds should not be used for rental costs of their present residence. Emergency aid for moving expenses should be offered.

IV. FORECLOSURE PROCEDURES

Units may request aid for an arrearage on contract-for-deed, balloon, or mortgage payments, or a property tax delinquency, when a foreclosure action occurs.

Payments to prevent foreclosure have the following conditions:

1. The unit must own, occupy, and maintain the home.
2. The unit's anticipated income must be enough to pay housing costs over the next 12 months.
3. The unit must verify that a lending institution denied refinancing.
4. The creditor will accept EA and any other payments as full payment of the arrearage.
5. EA should be used to pay back taxes and insurance only when the creditor escrows taxes and insurance and will not stop foreclosure unless they are paid. This amount shall be included in the maximum issuance listed above.

V. UTILITY BILLS PROCEDURE

1. Termination or threat of termination of service must be documented.
2. The bill must be in the household member's name.
3. Charges for municipal water and sewer, wood, electric and gas service, fuel oil, and trash removal are EA-eligible utility bills.

Minnesota Family Investment Program (MFIP) allows counties to request a waiver of the MFIP administrative cap (currently at 7.5%) for providing supported employment, uncompensated work or community work experience program for a major segment of the county's MFIP population. Counties that are operating such a program may request up to 15% administrative costs.

If your county is interested in applying for the waiver for the coming biennium, please complete the following four questions.

1. Describe the activity(s) you will provide.

4000 characters remaining

2. Explain the reasons for the increased administrative cost.

G. Other (continued)**Addendum for Unpaid Work Experience Activities**

Provider Choice

Does your county:

- Have at least two employment and training services providers. Go to Section H.
- Have a CareerForce center that provides multiple employment and training services, offers multiple services options under a collaborative effort and can document that participants have choice among employment and training services designed to meet specialized needs. Go to Section H.
- Intend to submit a financial hardship request.

G. Other (continued)

Financial Hardship Request

FINANCIAL HARDSHIP - Exception to Choice of Employment Service Providers Requirement

MFIP provisions require counties to make a choice of at least two employment service providers available to participants unless a workforce center is being utilized (Minnesota Statutes, section 256J.50, subdivision 8). Counties may request an exception if meeting this requirement results in a financial hardship (Minnesota Statutes, section 256J.50, subdivision 9).

A financial hardship is defined as a county's inability to provide the minimum level of service for all programs if a disproportionate amount of the MFIP consolidated fund must be used to cover the costs of purchasing employment services from two providers or the cost of contracting with a workforce center.

To request approval of a financial hardship exception from the choice of provider requirement, please provide the following information.

1. If the county had a choice of providers in calendar year 2019, describe:
 - factors that have changed which indicate a financial hardship
 - why the hardship is expected to persist in the near future and
 - the magnitude of the hardship, which makes limiting delivery of employment services the best financial option for the county.

2000 characters remaining

2. Summarize options explored by the county, including use of other partners in a workforce center or other community agencies, such as a Community Action Program or a technical college. The summary should also include:
 - major factors which prevent the county from utilizing these options and include a cost analysis of each option considered; and
 - the process used to determine the cost of other options (RFP or other county process).

2000 characters remaining

3. If the county proposes to directly deliver MFIP employment services, provide a budget and staffing plan that clearly indicates consolidated funds will not be used to supplant county funds. The description should include information about what steps will be taken to ensure that county staff have the experience and skills to deliver employment services.

2000 characters remaining

Financial Hardship requests will be reviewed by The Department of Human Services (DHS) and the Department of Employment and Economic (DEED) leadership. DHS and DEED will also review the amount budgeted by the county for employment and training during calendar year 2021 and use this amount as a guide to determine whether the amount budgeted by the county for calendar year 2022 is reasonable.

If a financial hardship is approved, DHS and DEED will closely monitor county programs to ensure outcomes are achieved and services are being delivered consistent with state law. For additional info or if you have questions please email Pamela McCauley.
